- \* Only designated military commanders can order an evacuation, civilian ordered evacuations do not apply.
- \* Evacuation ordered and allowances began 27 Sep 2005. Allowances and can no more than 180 days. **Can be terminated at any time.**
- \* Allowance is made up of two parts, evacuation pay which is equal to the employees pay immediately prior to the evacuation being declared and a per diem allowance for the employee and their household dependents.
- \* Two conditions must be met to rate the allowance: Employee must be under evacuation orders **AND** their home must not be habitable.
- \*\*\* When the employee is ordered to return to work at the District (vice remote site) they are no longer under evacuation orders.
- \* If evacuation pay is no longer authorized, Commander may authorize Administrative leave for a reasonable amount of time on a case-by-case basis.
